## Application for Transfer of Electrical Permit

ARM 24.301.431 (2) At the time of application for a permit, the applicant shall indicate on the application for a permit whether or not the applicant will be the permittee for the entire project. Owners shall designate which electrical contractor will be performing work on the project.

ARM 24.301.431 (9) The electrical permit is transferable one (1) time, with application for the permit transfer being made in writing on forms provided by the bureau. The permit transfer shall be completed prior to the subsequent permittee commencing work under the permit.

ARM 24.301.431 (4) No refund or credit for permit fees shall be issued for duplicate permits, when the permittee failed to transfer the original permit pursuant to ARM 24.301.431 (9) and a subsequent permit was obtained for the same project.
